I appreciate the wonderful Mission you are doing and hope all of your Followers will harken to your splendid accomplishments.

I regret my delay in writing to you, which is due to my being away from Town for several weeks.

Yours very truly,

Wishing you much success, I am,

PEACE

Mr. W. H. Omansky  
Omansky's Dept. Store  
Box 102  
North Emporia, Va.

My dear Mr. Omansky:—

I AM writing to advise receipt of your letter of the 24th in which you give evidence of an old account liquidated by one of MY followers. Your expression of appreciation is gratefully acknowledged.

By advancing the Light of this Teaching within the lives of mankind, I AM causing men to behold a Law they have not heretofore known, for they saw "through a glass darkly," they saw through the limited versions and false conceptions of their finite minds.

It is for this cause that I AM Spiritually electrifying the consciousness of the children of men, charging them by the transmission of the Spirit of MY Mind and the Mind of MY Spirit in Righteousness, Justice and Truth.

By this mental and Spiritual awakening I AM completely changing the versions, the customs and the methods of men. The experiences of millions of MY followers scientifically portray deeds and actions impelled by Righteousness, Justice and Truth. They reflect a new Standard of living, whereby as it is in the lives of a few million individually, so can it be with all mankind collectively, for the Truth is substantiated and made practical for every man and for every nation as it becomes the fundamental power and factor of expression individually and governmentally.

Therefore, as men elect and allow this Law of Righteousness to govern them in all phases and issues of life in their divers business, professions labor and trade, they will gain political independence and their social, economic and industrial freedom.

Righteousness automatically abolishes the destructive evils of the world and establishes that form of government for which men have long sought, and which in this latter dispensation I AM setting up in your midst, for I have declared we shall have a Righteous Government universally.

Hence, the Work of MY Mission includes all peoples wheresoever man is found, "for there is no respect of persons with God."

Therefore, I would that you and all men might stand together upon this Principle of MY Righteous Government Platform, that the reality of Life, Liberty and Happiness might be your portion, that you and all might be even as I AM, for this leaves ME Well, Healthy, Joyful, Peaceful, Lively, Loving, Successful, Prosperous and Happy in Spirit, Body and Mind and in every organ, muscle, sinew, joint, limb, vein and bone and even in every atom, fibre and cell of MY Bodily Form.

Respectfully and Sincere, I AM

Mr. Wm. S. Gurkin  
Claim Supervisor  
Office of the Overseer  
Department of Public Works  
254 West Bigelow Street  
Newark, New Jersey

My dear Mr. Gurkin:—

I AM writing in appreciation of your letter  
of the 12th in which you have advised ME of

the voluntary refund of the sum of two hun-  
dred and ninety dollars by one of MY followers,  
Mr. Raphael Peace.

While charitable or welfare institutions of  
City, State and Country are somewhat ac-  
quainted with the Work of MY Endeavors, as  
they receive sums of money in payment of past  
services rendered many who have since be-  
come followers of Mine, it is an open expres-  
sion, as a sample and an example of the ad-  
ministration of Righteousness, Justice and  
Truth rising into power in this era of great  
national and international contention.

Although there have been many theories, programs, discussions and even laws and by-laws put forth to solve present world problems, the impending world crisis does not offer a favorable outlook for desirable results, for mankind generally has not sought a moral reconstruction of ideas and opinions, a change of heart from selfish, agitating, greedy motives to unselfish, tolerant, Spiritual cooperation.

Nevertheless, in the midst of world turmoil, both in warring and non-warring nations, there is unfolding in your midst, the true Principle and Law of a Righteous Government.

With Righteousness the Standard exemplified by millions of MY followers in all of their daily experiences, it is practical evidence that this is the solution for individual, economic and political freedom for all men. It denotes an unquestionable Spirit of real democracy and a fine Spirit of citizenship, such as you have attested to and which is affirmed by men of diverse business, professions, labor and trade.

Then I say, as a factor of this fundamental Principle, as with an individual so with a nation. If the national defense of any people would be of Righteousness, Justice and Truth, these would be sufficient weapons to protect and strengthen men in the fulness of Life, Liberty and in the reality of Happiness.

A government established upon this Standard would indeed seek ways and means to use its rich resources, for as there would be no unemployment problem, no unrighteous taxation, no political intolerance, graft and greed or any other vice polluting the affairs of the world, it would seek the development of science and invention. It would revise and project education and seek advancement of civilization from every angle of expression.

With good wishes to you and those who may be concerned, desiring that you might become to be as I AM, this leaves ME ever Well, Healthy, Joyful, Peaceful, Lively, Loving, Successful, Prosperous and Happy in Spirit, Body and Mind and in every organ, muscle, sinew, joint, limb, vein and bone and even in every atom, fibre and cell of MY Bodily Form.

Respectfully and Sincere, I AM

Sir, Reverend Father:—

I have had a very pleasant surprise to receive from one of your followers and disciples, John Jack Volz, of 32 Buhl Street, Zurich, (Switzerland) reimbursement of a small sum that I had loaned him in 1924, when he was in Paris.

Your disciple gave this reimbursement in good Faith, when he very generously and considerably added interest to the sum lent him, and furthermore he counted the devaluation which has dropped in our money.

Permit me, Reverend Sir, to give you my profound homage to a Religion of the Faith that You teach Your disciples, and I am happy to think that they carry within themselves Peace with the Teacher.

Kindly believe, Reverend Father, my most sincere respects,

U. Meister

Mr. Ulrich Meister  
17, Rue Eugene Verlin  
Paris, 10<sup>e</sup> France

My dear Mr. Meister:—

I write as I wish to advise I received your letter in acknowledgment of the reimbursement of a loan you extended in 1924 to Mr. J. J. Volz, of Zurich, Switzerland. I highly appreciate hearing from you of the fulfillment of his obligation, for it depicts the universality of this Peace Mission Movement, which is the Spiritual unfoldment of the doctrine of Christianity, made practical in the lives of men.

The subjective experiences of men, in consequence of their former misconceptions of the Truth, have caused humanity to err Spiritually, morally, socially and otherwise. It is for this cause that we find the world in need of God, in Whom lies the abundant life men have long been seeking.

I AM therefore, opening wide the flood-gates of Righteousness, Justice and Truth, that all mankind might be enlightened and enlivened in the reality of Life, Liberty and Happiness.

As soon as men transcend the barriers of their limited, mortal consciousness, material barriers of inefficient and undermining methods in trade and commerce, in industry, in short, barriers in all forms of national and international life will be surmounted.

The fault of the deplorable conditions found in this present era of civilization, lies not in the conditions themselves, but in the mass consciousness of people, who live in selfishness, in graft and in greed. Long since have I declared:

The outer expression of things is but the condition of the mind within.

Hence, that world Peace and Righteousness might prevail in all fields of business, profession, labor and trade, that wars might cease, that the burden of depressions might be lifted from the shoulders of men and all other instances where the vices of men have corrupted society, I AM, as so to speak, mobilizing the forces and energies of the thoughts, and the intents of the hearts of men, concentrating and consecrating their lives unto Righteousness, Justice and Truth.

Then, by virtue of this impersonal Law of Righteousness, the mass consciousness of humanity in general will bring about world progress from every angle expressible.

As it was declared by the Apostle Paul: "The Word of God is quick, and powerful, and sharper than any two-edged sword," millions today are moving in the actuated Word of this Spirit and this Mind proving that a world conversion cannot come about through the sword or by any other material weapon and method of men, but through and by the Sword of the spirit, which is the Word of God.

If you will follow the March of Righteousness, you will find the very deeds and actions of millions of MY followers to be the demonstrated facts of this Teaching that are too stout to be denied, and which represent world Peace and order, even as we shall have a Righteous Government universally.

With very sincere wishes to you, desiring that you might be as I AM, this leaves ME Well, Healthy, Joyful, Peaceful, Lively, Loving, Successful, Prosperous and Happy in Spirit, Body and Mind and in every organ, muscle, sinew, joint, limb, vein and bone and even in every atom, fibre and cell of MY Bodily Form.

Mr. F. Canavaggio  
Compañía Cynos, S. A.  
P. O. Box 345  
Colon, Rep. of Panama

My dear Mr. Canavaggio:—

I have your letter of the 17th in which you acknowledge receipt of the sum of Twenty Dollars from one of MY followers, who has endeavored to walk in the newness of life, whereby he has sought to be emancipated from every expression of falsity of his former mortal characteristics, tendencies and pleasures and has therefore, repaid you an indebtedness he felt obliged to fulfil.

The value of MY Spiritual influence and this philosophy I AM expounding and delivering to mankind is not a new doctrine rising in the midst of men, for you need only to revert to Biblical history where you will find through the writings of SS. Matthew, Mark, Luke and John, the very spirit and Life of this Teaching I AM exemplifying is the Standard and Hope of Peace and Righteousness for all humanity.

As it is so plainly depicted in the request of Jesus: "I pray not that Thou shouldest take them out of the world, but that Thou shouldest keep them from the evil," you see in this advanced Light of Spiritual civilization, the Fundamental Law of Truth is unfolding from a new angle of expression.

Therefore, by the impregnation and incarnation of MY Spirit and MY Mind within the hearts and minds of men, I AM causing them to understand life and to reflect it supremely. By this Spiritual Conversion, society from every degree and field of expression is revolutionized. Righteousness is no longer an abstract quality of the Spirit, but it is made practical and profitable as men form the basis of all of their endeavors according to this Standard of Righteousness, Justice and Truth.

Hence, we find the Word is made flesh. Truth is produced scientifically in the development of science and invention, and in the rebuilding of an Equitable Government among all men. It is the foundation of Health, Peace and Prosperity and will universally liberate men from all human ignorance, increasing them in Spiritual Wisdom and hence in moral and material development.

By the Light of this Teaching world conditions of chaos and confusion are altered, for as the lives of men are transformed, the whole social order and construction of affairs are reformed accordingly. As this change

is already manifested in the lives of millions of MY followers, so can it be with all civilization, for the work of Righteousness is first an individual affair becoming to be the universal scale of a Righteous Government manifested.

Thus desiring that you might be successful in your endeavors and that you might be as I AM, this leaves ME Well, Healthy, Joyful, Peaceful, Lively, Loving, Successful, Prosperous and Happy in Spirit, Body and Mind and in every organ, muscle, sinew, joint, limb, vein and bone and even in every atom, fibre and cell of MY Bodily Form.

My dear Mr. Conroy:—

I write as I wish to acknowledge receipt of yours of the 12th in which you advise ME of the payment of a judgment to the amount of Thirty Dollars, one of MY followers has settled with the East Orange District Court and with one concerned, and appreciative of the same, Mrs. Pettis.

In view of the fact that even the Courts of Law could not enforce its statutes in the lives of men who brought themselves in judgment to it, fulfils the written Word that declares: "The Law could not do it in that it was weak... that the Righteousness of the law might be fulfilled in us."

It is because MY followers have brought themselves into subjection to the Truth that they have even been willing to face prison sentences if necessary, that they had tried to escape, that their wrongdoings and misdeeds might be corrected. Obedience to any just law, whether of God or of man, could not be established until the Law of Righteousness controlled the hearts of men.

As the Work of MY Spiritual Mission reaches into all fields and walks of life, you can readily observe the true character of Real Citizenship expressing in the lives of millions of MY followers.

The true Spirit of Cooperation, according to the Principle of Righteousness, Justice and Truth is of paramount value, as it signifies solidarity, and the abolition of the distinctions demoralizing civilization, as mankind is divided in nations, races, classes, colors and creeds, when "out of One Blood (One Spirit) God formed all nations of the earth."

By the unity of all peoples shall Peace reign among them, by the which among millions in all parts of the world today, as the Spirit of MY Mind and the Mind of MY Spirit guides them in this new and living way, Peace, Contentment, Health and Success abounds with them.

Therefore, I shall continue to promote this Universal Law of Righteousness in the lives and

affairs of all mankind that Peace, Justice and Prosperity might prevail; for I would that all men might become to be as I AM, as this leaves ME ever Well, Healthy, Joyful, Peaceful, Lively, Loving, Successful, Prosperous and Happy in Spirit, Body and Mind and in every organ, muscle, sinew, joint, limb, vein and bone and even in every atom, fibre and cell of MY Bodily Form.

PEACE

APRIL 18, 1939 A.D.F.D.

Mr. Sol Benton  
178 East 101st St.  
New York City

My dear Mr. Benton:—

I write to advise appreciation of your letter of the 16th in which you have expressed your gratitude for MY Good influence for humankind, through which, in this instance, one of MY followers has fulfilled an indebtedness of Forty Dollars she owed you some time past.

Through this Spiritual unfoldment, and the manifestation of it, as seen in the activities and experiences of millions of MY followers today, I AM automatically presenting to the world an effective program that is solving the individual problem, as well as the national and international problems of mankind generally.

I continue to stress the essentiality of a moral regeneration among men, for it is the consciousness of men that motivates their actions.

Therefore, I AM injecting and transmitting within the hearts and minds of all people the

Spirit of Righteousness, Justice and Truth that they might reflect and express Peace, Equity and Progress, rather than the present negative elements of unrest, dissension, vice and crime.

Hence, I AM lifting men from the ruts of mental, Spiritual and material bondage. I AM broadening their vision, giving them a new freedom of Spirit, of Understanding, material advantages and opportunities they have long been seeking. A new life is in evidence for one and all, as I AM building up a new form of government, even as I reiterate from time to time, "We shall have a Righteous Government Universally."

However, before I have spoken, MY Spirit and MY Mind have been at work, producing the desirable results and effect of this Principle of Righteousness, Justice and Truth, as the lives of millions today prove the practicality of this Teaching.

Thus, desiring that you might fall in line as a citizen of Righteousness, that you might enjoy the privileges of Life, Liberty and the reality of Happiness and be even as I AM, this leaves ME ever Well, Healthy, Joyful, Peaceful, Lively, Loving, Successful, Prosperous and Happy in Spirit, Body and Mind and in every organ, muscle, sinew, joint, limb, vein and bone and even in every atom, fibre and cell of MY Bodily Form.

### FATHER'S Acknowledgment

APRIL 17, 1939 A.D.F.D.

Mr. A. Goldberg  
Harry Goldberg & Sons  
980 State Street  
Perth Amboy, N. J.

My dear Mr. Goldberg:—

I AM writing to acknowledge receipt of your letter of appreciation, as you have informed ME of the balance of Seventy Dollars paid in full for a rental account one of MY followers had incurred in 1932.

Not only is it said of the evil, when it declared: "That which is done in secret shall be made known upon the housetops," but it is said of the good; for although I have striven to preach Christ in Deeds and in Actions by putting MY Spirit in men and causing them to walk in MY Statutes, the Truth has been made known as it became a living reality in the lives and affairs of men.

It is for this cause that you will find, as in the factoring of a mathematical problem, the principle has been converted into a material expression, so with the Principle of Truth, as men have personified the nature and the characteristics of it. In other words, it has been scientifically conveyed and made practical on the earth.

In consideration of the fact that "God in one man is the majority," then God in every Right-thinking person can indeed suppress the evil influences and the workers of iniquity who corrupt the Peace, Happiness and Liberty of all civilization. Men have been inspired in the Truth because the Spirits of Just Men live on in them, revealing peaceful methods to bring about Righteousness and Prosperity on the earth.

Nevertheless, selfishness has corrupted all things, and it is for this cause that I AM leading mankind by the Light of Righteousness, Justice and Truth, freeing them first individually, that they might collectively move in the unity of Spirit, of mind, of aim and of purpose, to overthrow the present system of graft and greed controlling world conditions today.

Therefore these experiences of my followers paying back old bills, returning stolen goods or paying the equivalent of them, righting their wrongs and projecting the Law of Righteousness, Justice and Truth in the home, in the community, in the social and civic governmental affairs, such are in reality the first steps to economic freedom, political freedom and all other adjustments necessary for the welfare of humanity.

These facts offer substantial evidence as the Key to Life, Liberty, the pursuit and reality of

Happiness, that lies in this program of MY Righteous Government Platform. What is good for an individual is good for a nation; for as millions have found Peace, Health and Prosperity by it, so can all nations find their real emancipation therein.

With sincere wishes to you, desiring that you might be as I AM, this leaves ME ever Well, Healthy, Joyful, Peaceful, Lively, Loving, Successful, Prosperous and Happy in Spirit, Body and Mind and in every organ, muscle, sinew, joint, limb, vein and bone and even in every atom, fibre and cell of MY Bodily Form.

Respectfully and Sincere, I AM
