

ALL GOVERNMENT DESIRES TO UNITE THE PEOPLE
OF THIS DEMOCRACY FOR THE COMMON DEFENSE,
YET GOVERNMENT AND THOSE WHO REPRESENT
IT CONTINUE TO ALLOW MOB VIOLENCE
TO GO ON UNCHECKED

"OUR FATHER'S MESSAGE"
GIVEN WHILST AT
THE HOLY COMMUNION TABLE
1887-1889 MADISON AVENUE
NEW YORK CITY
SATURDAY EVENING, JANUARY 31st,
1942 A.D.F.D.
TIME— 6:10 P. M.

The soul-stirring inspiration, "America's Debt" which is published just prior to this Message was recited by one of the "Rosebuds" on this occasion as given to her through the Holy Spirit of our LORD. Its deep significance aroused the Spirit within all, and as the vibrations rose higher and higher, our SAVIOR sweetly commenced singing the inspirational song, "Pass the Anti-lynching Bill," as follows:

"Pass the Anti-lynching Bill!
Stop prejudice and hatred,
Recognize the Brotherhood of man
And the Fatherhood of GOD,
Cease your filibustering
In the Upper House,
And pass the Anti-lynching Bill
For the defense of the Americas!

"Pass the Anti-lynching Bill!
You must do what's right.
If you want the Americas to unite,
The Anti-lynching Bill must pass;
Take a stand for Righteousness,
For Justice and for Truth,
Pass the Anti-lynching Bill,
And protect our American youth!

"Pass the Anti-lynching Bill!
Love ye one another;
The Unity of Spirit, Mind and Aim,
And of Purpose will bring Peace.
If you do your FATHER'S Will,
Then let HIM do the rest,
You'll pass the Anti-lynching Bill,
And you'll be abundantly blessed!

"Senator Bilbo and Senator Ellender
Must do away with southern white

And recognize the Allness of GOD
And the nothingness of man.
Prejudice and bigotry
Shall nevermore have sway;
We shall pass the Anti-lynching Bill,
For FATHER DIVINE is going to have His way!

"If you want to do what's right,
And desire the Americas to unite,
You must pass that Anti-lynching Bill
And enact the Bill of Rights.
The Anti-lynching Bill will be
The instigation through which they will unite;
So pass the Anti-lynching Bill
And enact the Bill of Rights!"

(FATHER Speaks as follows:)

PEACE, EVERYONE: GOOD HEALTH,
GOOD WILL and A GOOD APPETITE; GOOD
MANNERS, GOOD BEHAVIOR, ALL SUC-
CESS and all PROSPERITY; LIFE, LIBERTY
and the REALITY of HAPPINESS, for this we
have as real American citizens!

At this particular instance I have arisen by MY Inspiration as given transmitted to and through and from the last speaker. It is a wonderful thought to observe the mystery of MY Spirit, how it works scientifically and accurately regardless to through whom MY Spirit may do it. Aren't you glad! If it apparently ceases in one place it will arise in another. It is a matter of impossibility to retard the advances of MY Spirit for it is the CREATOR of all creation and the GOD of every nation; can and will move all things out of their places if they happen to get in the way of MY Spirit.

It is something to consider; because here and now at the time all government, they are desiring to unite the peoples of this democracy as one man at Jerusalem for the common defense of this hemisphere; yet the government and those who represent it will continue to allow lynch mob violence to go on unhandicapped. But if those who actually lynched that man here of a recent date as published in the common daily press, do not apprehend and prosecute the lynch-ers and the violators they shall be sorry for it!

This is not a supposition, they know who did it and it is not a maybe! If an automobile can pass a red light and the officials can apprehend the owner and the operator of such an automobile, it is evidently known they can apprehend the murderer of the man that was lynched!

An automobile is not something that is unidentifiable, it can be identified. It is not something that is hid. The very license plates of the automobile would tell you definitely who is the owner of the machine. Can you not see the mystery? Therefore, if the authorities do not apprehend the murderers and handle them severely according to the punishment required or instituted to inflict on murderers in that state, why then they shall be sorry for it, for they do know who did it. They do know who did it, and they do not only know that one who committed the crime, the individual, but they know practically all of them who did it. Therefore, I demand them as the officials of the government and as prosecutors and as protectors of our Constitution and the Amendments, to apprehend the crime committers and bring them to the bar of justice or else they shall be brought there themselves! I thank you!
